LAW AND CONTEMPORARY PROBLEMS is a quarterly publication. Normal publication dates are in Janu
 April, July, and September. Because each issue is a symposium, it is not possible to delay publication o
 article without postponing publication of the issue. Therefore, if a very promising contribution is not
 complete at the anticipated time of publication, some delay may result. Readers are asked to forbear
 occasional irregularity which results.

Views expressed in articles published in this periodical are to be attributed to their authors and not
 periodical, its editors, or Duke University.
