## THE VENICE COMMISSION

The European Commission for Democracy through Law, also known as the Venice Commission, was established in 1990 pursuant to a Partial Agreement of the Council of Europe. It is a consultative body which co-operates with member States of the Council of Europe and with non-member States. It is composed of independent experts in the fields of law and political science whose main tasks are the following:

- to help new Central and Eastern Europe democracies to set up new political and legal infrastructures;

- to reinforce existing democratic structures;
- to promote and strengthen principles and institutions which represent the bases of true democracy.

The activities of the Venice Commission comprise, *inter alia*, research, seminars and legal opinions on issues of constitutional reform, electoral laws and the protection of minorities, as well as the collection and dissemination of case-law in matters of constitutional law from Constitutional Courts and other courts.
