From the Editor,

At its November meeting the ASIL Executive Council extended its profound appreciation to outgoing Interim Editor David A. Levy for his work with *International Legal Materials* and *International Law In Brief*. Under his guidance, *International Legal Materials* was transformed by innovations in content, readability and production. In addition, Mr. Levy, along with Elizabeth Fabrizio, co-founded and developed *International Law In Brief*, which like *ILM* reaches a world-wide audience. The farsighted efforts of Mr. Levy, who left the ASIL to take a position with UNCITRAL, the United Nations Commission on International Trade Law, have ensured that *ILM* will remain a world-recognized source of international law documents in both print and electronic media.
